

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The Digital boards of the preamble of the constitution of India written in English and Marathi has been displayed at entry in college building. Students entering to the various classes read these digital posters. During celebration of Independence day and Republic day, the preamble of the constitution of India written in English and Marathi was read by the students and the meaning was explained to them.

For good professional ethics, college always tries to aware the staff as well as students. Use of tobacco by the staff as well as students in the campus is not ethical. The tobacco epidemic is one of the biggest public health in the world. Some posters wall papers are displaced on walls to aware the students about the side effects of tobacco.
