REPORT – STATE LEVEL WEBINAR ON

“BIODIVERSITY & SUSTAINABLE DEVELOPMENT” -2023

Department of Botany & Zoology have organized one day state level webinar on **“BIODIVERSITY & SUSTAINABLE DEVELOPMENT”** on **06th October, 2023** on the occasion of world wild life week. Total **210** participants from the districts like Kolhapur, Sangli, Beed, Nagpur, Solapur, Pune, Chhatrapati Sambhajnagar of the Maharashtra have been participated. Two participants were from other states like **Andhra Pradesh and Karnataka**. The resource person for the webinar was **Dr. Rajendra Shankar Suryawanshi**, head and associate professor, department of Botany, Dr. Ganpatrao Deshmukh Mahavidyalaya, Sangola, Dist. Solapur. Keynote address was given by **Dr. S. A. N. Inamdar**, member of college development committee of Miraj Mahavidyalaya, Miraj.

The 69th Wildlife Week, a significant event aimed at raising awareness about the importance of wildlife conservation in India. This year's theme, **“Partnerships for Wildlife Conservation,”** reflects the collaborative efforts required to protect and preserve the nation's rich biodiversity. The festivities coincide with the birth anniversary of Mahatma Gandhi, reinforcing the principles of Ahinsa (non-violence) and compassion for all living beings.

Brochure of the Webinar

About College: Our institution was established on 15th July 1993 by the veteran Freedom Fighter R. P. Patil (Anna), founder of Yashwant Shikshan Sanstha, Kupwad, Sangli. It was the need of students coming from rural and drought prone eastern part of Miraj Tehsil. Hon'ble Prof. Sharad Patil, then seating MLA of Miraj constituency, established the college in order to cater the need of such students and established Miraj Mahavidyalaya, Miraj to impart exclusively traditional education for the overall development of the students. The college runs Arts, Science programs on grant-in-aid basis and Commerce and B.C.A. on self-financing basis along with P.G. programs of Geography, English, Physics & Microbiology.

A Report
On
National Level Online Quiz on "[International Day of Forests-2024](#)"

Forests are vast regions where trees predominate. We're glad you've come to our International Day of Forests quiz on **21st March, 2024** to learn more about the subject. It's interesting to note that forests support a large number of native species and comprise about 31% of the planet's geographical area. They are essential to maintaining biodiversity and safeguarding the environment. This quiz is designed by the **Science Forum and Department of Botany under IQAC** to raise awareness of their significance. The quiz was of 50 marks. There were 25 questions which carried 2 marks each. 270 participants from **Maharashtra, Himachal Pradesh, Jammu & Kashmir, Telangana, Puducherry, Tamil Nadu and Chhattisgarh** were participated in the quiz.
