BEST PRACTICE – 1

1. Title of the Practice: Active Participation of Students in National and International Conferences.

2. Objectives of the Practice:

Attending National and International Conferences is an effective way for students to enhance their leadership abilities, research and writing skills.

3. Context:

As delegates, students are expected to deliver research papers during these conferences, which further contribute to their practical and comprehensive knowledge of their subjects and research field.

4. Practice:

Students participated in National and International Conferences at Deshbhakt Anandrao Balwantrao Naik Arts and Science College, Chikhali, Shivraj College of Arts, Commerce, and D. S. Kadam Science College, Gadhinglaj, Krishna Vishva Vidyapeeth organized by Krishna Institute of Allied Sciences, Karad, and Srimat Kusumtai Rajarambapu Patil Kanya Mahavidyalaya.

5. Evidence of Success:

Students presented research papers in conferences entitled 1] Environmental Sustainability (INCES-2023) 2] An Interdisciplinary Nature of Science- Industry – Academia Meet for Students of Rural and Urban India on Biomake in India (IAMSROI-2023) 3] ICRTPA 4] An Interdisciplinary Nature of Science

6. Problems encountered and resources required:

Students are not so well exposed of Research Journals which are few in number and students depend only on internet for references.

BEST PRACTICE – 2

1. Title of the Practice: Promoting Benefits of Millets

2. Objectives of the Practice: Millet has promoted by the organizing of International Year of Millets-2023 in the academic year 2022-23

3. Context: Millet, an ancient cultivated grain, has been extensively grown in India which serves as a fundamental crop for both humans and animals. Millets like pearl, finger sorghum are highly valuable.

4. Practice: The Department of Botany took the initiative to celebrate the International Year of Millets-2023 in the academic year 2022-23. To commemorate this, the Department of Botany hosted various interactive activities on 25/4/2023, including an awareness campaign rally, millets recipe competition, poster presentation, and food festival.

5. Evidence of Success:

Students, teachers, and non-teaching staff, with over 100 students participating in the rally and 98 students taking part in the recipe competition. About 87 participants took part in poster presentation. The food festival show cased various millet- based dishes.

Miraj Mahavidyalaya Miraj Department of Botany **International Year of Millets-2023** **Report**

In the academic year 2022-23, the Department of Botany took initiatives to celebrate **International Year of Millets-2023**.

Millets have been an integral part of our diet for centuries. Along with health benefits, millets are also good for the environment with low water & input requirement. With the aim to create awareness and increase production & consumption of millets, United Nations, at the behest of the Government of India, declared 2023 the International Year of Millets.

The theme for the International Year of Millets 2023 (IYM) is “Harnessing the untapped potential of millets for food security, nutrition, and sustainable agriculture”.

To commemorate this, Department of Botany has celebrated International Year of Millets-2023 by hosting various interactive activities on 25/4/2023 in college as well as in Miraj city.

1. Awareness Campaign Rally on Millets in Miraj city
2. Millets Recipe Competition
3. Poster Presentation on Millets
4. Food Festival

Awareness Campaign Rally on Millets in Miraj city was started from our college campus at sharp 8:30 am on 25/4/2023. More than 100 students and teaching non teaching staff actively participated in this rally. The rally moved through the Gandhi Chowk, Shivaji Statue, Ganesh lake, Laxmi Market and ended at college campus. Many students with posters and slogans regarding use of millets were major attraction of the rally.

Students were invited for Millets Recipe Competition and in this event; students took part to prepare foods made from millets. Many students brought food prepared from millets from their homes. About 98 students took part in this event. All students and teaches as well as non teaching staff tested the foods prepared by students.

Poster Presentation on Millets was also organized on 25/4/2023. About 87 participants from our college as well as students of department of botany from P.V.P College Kavathemahankal took part in this event.

Food Festival was also organized on the same day. Many students brought food prepared from millets from their homes. All students and teaches as well as non teaching staff tested the foods prepared by students.

Taluka Agricultural officer was invited as a chief guest and for the celebration of Year of Millets-2023. As an examiner for the Recipe competition, Dr. B. T. Jadhav Associate Professor, Department of Botany, P.V.P College Kavathemahankal and Dr. S.P.Patil vice Principal, and Head Department of History of our college were invited.

The event created great impact on students as they came to know the importance of millets and use of millets in their foods.
