

Feedback on Curriculum-2020-21

• Feedback Report

In order to ensure continuous progress of the college, we have put an effective feedback mechanism in place that collects feedback from various stakeholders. The college has introduced online feedback system from the academic session 2019-20. Feedback on curriculum is collected from the students, teachers and alumni in a Google form based on a structured questionnaire framed and approved by the IQAC. Students' feedback is obtained from the UG and PG students. Total 925 students registered their response. Teachers' feedback is obtained from all the permanent and CHB teachers. Total 36 teachers registered their response. Alumni feedback is obtained from all the streams i.e. B. A., B. Com., B. Sc. B. C. A. Total 140 alumni registered their response.

The feedback from various stakeholders is collected and thoroughly discussed in the appropriate forum. Accordingly, matters which involve the College as a whole are dealt by the Principal in coordination with the concerned departments, committees, governing body of the College for the further necessary action. The received feedback is then analyzed by the IQAC and uploaded to the college website.
